Grants

- 2020 NEH Planning Grant, “Integrating the Humanities in the Communication of Science and Technology”
PIs: Bonnie Dow, David Wright
Planning Team Members: Michael Bess, Diana Heney

This planning grant will result in the development of an integrated undergraduate program in communication of science and technology guided by the goal of producing “scientist citizens.” Scientist citizens “recognize that their professional role does not separate them from the communities in which they dwell” and they are committed to developing the analytical and communicative expertise to effectively share their knowledge with lay publics to further the common good.
